

## **Invitation mail to SEELS members**

I am writing to invite you to the 25th anniversary competition of the [Central and Eastern European Moot Competition](#), which will take place in Luxembourg from Thursday 2 to Sunday 5 May 2019.

The CEEMC is an EU law moot competition specifically for university students from Central, Eastern and Southern Europe, including EU Member States, EU candidate countries and non-EU European states. The competition is held in a different CEE city each year, but to celebrate our special 25th Anniversary the competition will be hosted this year by the Court of Justice of the European Union in Luxembourg City.

The competition judging panel is led by A.G Eleanor Sharpston, whose recommendation is attached to this mail, she will be joined by other colleagues from the Court. We hope that you will consider joining us in Luxembourg for this unique event. The moot question is already available on the ceemc site with the full entire bundle of cases and materials to be used in the competition will be made available in the next few days. Teams are asked to register their interest for the event **on or before the 28th January** on the ceemc site.

The fee for each team is €750 EUR, which includes the participation fee and all food/drink for the duration of the competition. Accommodation is arranged by each team themselves, although we have also organised special discounts for accommodation at a hotel and hostel in Luxembourg for all teams (details can be accessed for teams registering on the [website](#)).

If you are interested in participating, please ensure that you register your university team on the CEEMC website. If you have any questions at all, please feel free to contact me. The CEEMC is a great moot competition, and this year will be particularly exciting for law students as they will get to argue in the actual Court of Justice of the EU in front of (very friendly) judges and Advocates General of the Court!

We hope to see you there!

Denise Ashmore ([d.ashmore@ceemc.co.uk](mailto:d.ashmore@ceemc.co.uk))
